2024 IMCA STOCK CAR TRANSITION RULES

Salt City Racing

Hutchinson, Kansas

2024 Local Stock Cars may race with the following requirements:

IMCA stamped Hoosier G-60 tires only. May be ground, grooved and siped to 2024 IMCA Stock Car rules only. Wheel covers must be bolted to wheel. Beadlock on right rear only.

Springs, shocks and shock location must meet 2024 IMCA Stock Car rules. No shock can be pinned against any spring.

Engine location must meet 2024 IMCA Stock Car rules. Local Stock Cars with engine moved must add 25lbs of lead weight forward of the front of the block.

Engines not meeting the 2024 IMCA Stock Car 500CFM rule #24 option "B", must run the option "A" 350CFM carburetor.

No spoilers.

IMCA and Salt City Racing reserve the right to adjust the transition rules as necessary in the interest of parity and ensure competitive events.
